

Making the Most of Thermography

Tailor-made Thermographic Cameras and Automation Solutions

1) InfraTec headquarters Dresden, Germany
2) Automated IR measurement system

INFRA^{TEC}.

Europe's leading specialist for infrared sensors and measurement technology

Innovative IR measurement technology for numerous applications

Wide range of high-quality thermographic systems

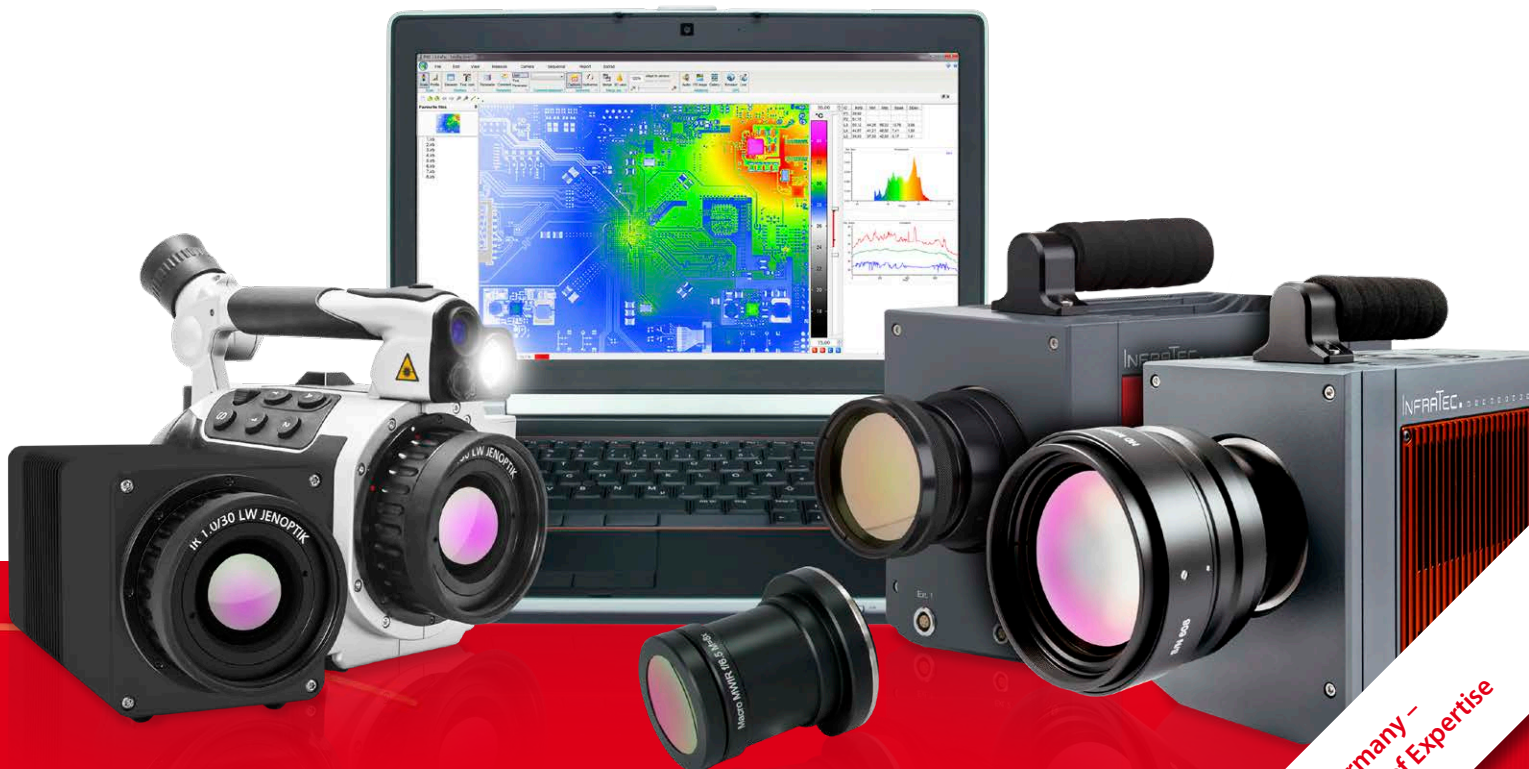

High-end, professional and universal cameras with detector formats up to (1,920 × 1,536) IR pixels

Powerful thermography software and comprehensive accessories

Precision interchangeable optics for the perfect adaptation to measurement and testing tasks

Automated, turnkey thermography inspection systems

First-class service ensures high system availability

Made in Germany –
More than 25 Years of Expertise

Handheld Uncooled Real-time Thermographic Cameras

VarioCAM® HD

VarioCAM® HDx

compactIR 400

mobileIR 400

Industrial and Laboratory Systems

Uncooled real-time thermographic cameras

VarioCAM® HD and VarioCAM® HDx
research, inspect and head

PIR uc
605, SWIR HD 800, LWIR 300 + 600

Cooled high-end thermographic systems

ImageIR®
4300, 5300, 7300, 8300,
8300 hp, 8800, 9400
and 10300

Thermographic Automation Solutions

Monitoring of industrial
plants and processes

Photovoltaic test
system – PV-LIT

High-speed rotation test
system – TRC

Quality control for press
hardening – PRESS-CHECK

Comprehensive
accessories

Imagers and Thermal Imaging Cameras for Security Applications

Nyxus Bird
Nyxus Bird and Nyxus Bird LR

ViewIR®
70 and 70 LX

Early fire detection –
WASTE-SCAN + FIRE-SCAN

VarioCAM® HD Z

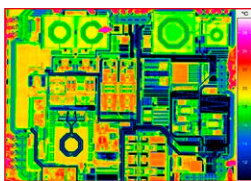

VarioCAM® HDx
head security

ImageIR®
8300 Z and 9300 Z

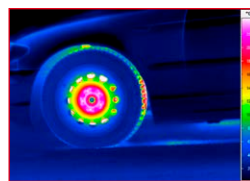

Thermography Applications Areas

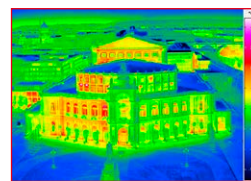

Microthermography

Quality assurance

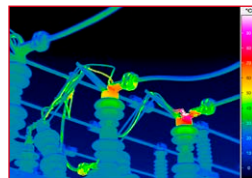

High-speed thermography

Building inspection

Aerial thermography

Predictive maintenance

Observation & investigation

Extensive Service from InfraTec

- Warranty service on new devices up to 48 months
- Free 24-hour service hotline at local rates
- Measurement services and feasibility studies
- Calibration/maintenance service in very short time
- Rental/loan service
- Trainings, workshops, user conferences
